

A Year of Celebration A Century of Making a Difference

For 100 years, the Boy Scouts of America has created a strong foundation of leadership, service, and community for millions of America's youth. Through *A Year of Celebration, A Century of Making a Difference*, we will demonstrate the incredible impact of a century of living the Scout Law.

Program participants will earn recognition for making a difference in their communities due to their dedication to five of Scouting's core values: Leadership, Character, Community Service, Achievement, and the Outdoors. Participants will be able to earn our 100th Anniversary commemorative patch.

A Year of Celebration will take place from September 1, 2009 through December 31, 2010. The program is open to all Cub Scouts, Boy Scouts, Venturers, Adult Scouters and Scouting alumni.

Additionally, the BSA has also teamed up with some great organizations to offer unique 100th Anniversary service projects that can apply towards your *Year of Celebration* Service award. These national opportunities will truly show what Scouts can do when they band together towards a shared goal.

For 100 years, the Boy Scouts of America has created a strong foundation of leadership, service, and community for America's youth. Through *A Year of Celebration*, we celebrate this legacy and commit ourselves to inspire and prepare future generations
