

RANGER CAMP JUNE 27TH – JULY 2ND 2010

Earn the Climbing Merit Badge in style. The Northeast Georgia Council has a long tradition (30 +years) of working with the U.S. Army Rangers at Camp Frank D. Merrill near Dahlonega, Georgia. Ranger Camp is conducted by the Northeast Georgia Council utilizing the expertise of both the Ranger Instructor (RI's) and our own High Adventure Climbing Instructor volunteers to provide a unique week of Challenge, Adventure, and Success as they negotiate much of what Ranger Candidates experience in the Mountain Section of their training.

The first part of the week is dedicated to training and teambuilding as well as rappelling, bridge building intro to climbing and land navigation so that the participants can meet the challenge successfully on top of Mt. Yonah as they climb and rappel the 200ft granite rock face on Wednesday and Thursday.

Ranger Camp is open to Youth 14 (or 13 and completed the 8th grade) and older (please do not request an age waiver), Boy Scouts, Venturers and Explorers (male and female), and adults. The program is designed so that individual youth participants can attend without adult supervision.

The camp begins with check in on Sunday morning and graduation on Friday afternoon. Fee is \$285 youth or adult. Registration is available now by contacting the Northeast Georgia Council at 1-800-699-8806 or email to www.nega-bsa.org.
