## Early Arrivals (Found on page 25 of the Program Guide)

We are happy to work with your travel plans. Should your Unit need to arrive early than normal, you need to make prior arrangements with the Camping Department at the Jefferson Service Center by going on line to (Tentaroo) under manage spots and filling out the Early Arrivals section. Units arriving on Saturdays will be charged an additional \$20.00 per person per day.

If arriving early, please be sure to let one of the commissioners know when they make the confirmation email, the week before your Sunday check-in date. Our Commissioners will then e-mail Units' instructions on what to do when they arrive at camp.
