

Special Dietary Request and/or Special Needs

(For Dietary needs please email this form to our Food Service Director at adhenson7crm@gmail.com
TWO (2) weeks before your Sunday Arrival at Camp)

Other special needs

(Return this information to the Council Office 1 month before your Sunday Arrival at Camp.)

The Northeast Georgia Council will do everything in its power to accommodate participants with special needs. Special dietary needs must be shared with camp leadership prior to arriving at camp. We will do our best to accommodate most food allergies but cannot be held accountable for the management of these allergies. Severe allergies that require special food items must be provided for your child on the day of arrival at camp. Example: Gluten Free Diets cannot be provided by the food service department due to the severity and complexity of this diet. Parents should feel free to contact us AT CAMP to review the menu and ingredients at least two (2) weeks prior to attending camp to ensure proper management of a camper's special diet. We are able to store food for you in our refrigerator or dry storage area if requested. For Dietary needs please email this form to our Food Service Director at adhenson7crm@gmail.com TWO (2) weeks before your Sunday Arrival at Camp)

Please complete this form and submit it with your camp payments.
Thank you for your assistance.
