

## Nantahala Raft Trip

### HIGH ADVENTURE FOR EVERYONE!

Here's an opportunity that everyone can enjoy. Over 900 campers did in 2017! Camp Rainey Mountain offers a raft trip each Thursday. At the Nantahala, rhododendron and stately hemlocks provide an atmosphere of fragrant beauty. The river is clean and cold, and the class II and III rapids offer a challenge to all participants. The Nantahala is dam controlled so that there is a sufficient water level all summer. ## Chattooga Raft Trip

The river is less than 10 miles from camp! Scouts will love exploring Section III. The Chattooga River is without a doubt the Southeast's premier whitewater rafting adventure. In fact, Southern Living called rafting the Chattooga "The #1 Thing Every Southerner Ought to Do." The Chattooga was federally protected in 1974 by the Wild & Scenic Rivers Act, thus forever preserving its rugged river gorge from development. Thus, the Chattooga delivers breathtaking scenery and treasured whitewater in an unmatched wilderness setting. Perhaps most recognized for its depiction in the film Deliverance, there are two very distinct whitewater rafting sections on the Chattooga. Section III is what we call "Mild & Scenic." With numerous swimming holes, Class II-III drop pool rapids, and a Class IV grand finale at the famous Bull Sluice rapid! NOC's expert guides add to the experience, peppering the run with breaks for swimming, play and lunch.

A deli style lunch is served in a scenic location alongside the river.
