

Camp Director: Brandon C. Parham

Health & Safety Officer/Medic: Noah Edge/Ben Butler

Team Members: To be Determined by CD & Medic

Phase of Camp Inspection	Actions within Phase of Inspection	Persons Responsible	Potential Actions to Consider
Pre-Arrival	<ol style="list-style-type: none"> 1. Commissioners and Camp Director will contact units regarding Pre-Screening requirements and health requirements to come to camp. 2. Adult leaders of each unit will be emailed a version of the pre-screening form and requirements. 3. Adult Leaders will conduct a pre-departure screening of scouts and leaders to ensure that no present symptoms are had. 	<ol style="list-style-type: none"> 1. Camp Director 2. Medic 3. Commissioners 4. Unit Leaders 	<p>* Any scout who does show pre-emptive symptoms are not allowed to come to camp.</p> <p>* Financial adjustment for the scout will be made at check-in for the scout or a reschedule of Summer Camp Opportunity.</p>
Pre-Camp Inspection	<ol style="list-style-type: none"> 1. A troop guide will be assigned to the unit and will lead the unit to Med Check-In at CRM Gate. 2. Campers and associated Troop Guides will go through Medical Pre-Screening in an effort to catch any potential illness or contagious symptoms. 3. All campers and Troop Guides who pass the Pre-Screening will be given a wristband in accordance with their Meal Shift to indicate they have been screened. 4. Any camper or Troop Guide who answers a question on the Pre-Screening with “Yes” will be designated to see the Medical Officer on Duty. 5. The Medical Officer will determine whether the scouter will be deemed as a potential “Medical Influencer.” “Medical Influencers” will be 	<ol style="list-style-type: none"> 1. Council Program Director 2. Camp Director 3. Ranger 4. Medic 5. Med Lodge Officer 6. Pre-Camp Screening Team 7. Troop Guides 8. Aquatics Director 9. Food Services Director 10. Head Steward 	<p>* Wristbands Identifying Persons Checked.</p> <p>* Potential Thorough Screening with Medic for Patients who answer any of the Pre-Screening Questions with “Yes”.</p> <p>* Medical Screening conducted at Mountain Lakes ER.</p> <p>* Potential Overnight Observation/Evaluation to determine if symptoms should persist. (Self-Quarantine)</p> <p>* If the situation deems necessary, send home a scouter and reschedule Summer Camp opportunity.</p> <p>* Time appointments prescribed to units for Swim Checks and</p>

	<p>issued a highlighter color wristband signifying them as such to Admin team members. The Camp Director, Ranger, and/or Council Program Director will be notified immediately.</p> <ol style="list-style-type: none"> 6. If deemed a Medical Influencer, the Medical Officer will decide whether to enact “Self-Quarantine” after Medical examination at Mountain Lakes ER or to “Reschedule the Scouter for Pick-up and Summer camp opportunity.” 7. Campers with orange or blue wristbands and no highlighter wristbands will all enter camp through the front lawn of the Administration Building/Headquarters. 8. The Dining Hall will allow units to enter into the Dining Hall two at a time for orientation every 10 Minutes. Units who arrive in between 10-minute intervals will wait on the front porch at least 6 ft away from other units until entering. 9. Units who require a swim-check will be required to complete swim checks unit by unit to ensure that limited numbers of people are contained in the Aquatics area. 10. Troop guides will encourage the unit to wash their hands once at the dining hall and once at the bath house nearest their campsite. Troop guides will also encourage scouts to drink water frequently throughout the orientation process. 		<p>Dining Hall Orientation.</p> <p>* Handwashing periods and hydration periods.</p>
<p>During Camp</p>	<ol style="list-style-type: none"> 1. Program Areas, Trading Post and Dining Hall Staff members will disinfect 	<ol style="list-style-type: none"> 1. Council Program Director 2. Camp Director 	<p>* Program Areas disinfected and common surfaces cleaned each</p>

	<p>commonly touched surfaces each hour during use. Scouts and Staff will be given the opportunity to wash their hands or to hand sanitize their hands at the beginning of each class period.</p> <ol style="list-style-type: none"> 2. Scouts will be frequently reminded by staff to stop and drink water. 3. Before entering the Dining Hall, all scouts will be highly encouraged to wash hands using outside troughs, shower houses, and portable sinks. Scouts will be screened daily for any changes in symptoms. 4. Before and after serving food or loading/unloading food products, all participating staff members will wash their hands. 5. During the week, the Medic and Med Lodge Officer will take record of any scouter entering the Med Lodge. 6. Any contagious symptoms identified will warrant the Medical Team to screen the scouter for signs of potential illness. Scouter will be pulled from activity and brought to Med Lodge by staff member or Unit Leader 7. The Medical Team will notify the Camp Director, Ranger, or Council Program Director of any potential patients exhibiting symptoms. The patient will be issued a highlighter color wristband signifying them as such to Admin team members. 8. Medical team will conduct a screening. Medical team will notify scout leaders of potential harm to the unit. 	<ol style="list-style-type: none"> 3. Ranger 4. Medic 5. Med Lodge Officer 6. Medical Volunteers on Duty 7. Department Directors 8. Staff 9. Unit Leaders 	<p>period of usage.</p> <ul style="list-style-type: none"> * Camp wide hydration and handwashing periods. * Potential Thorough Screening with Medic for Patients who exhibit contagious symptoms. * Campsite Cleanse * Medical Screening conducted at Mountain Lakes ER. * Potential Overnight Observation/Evaluation to determine if symptoms should persist. (Self-Quarantine) * If the situation deems necessary, send home a scouter and reschedule Summer Camp opportunity.

	<ol style="list-style-type: none"> 9. Unit Leaders will ask other scouts whom they feel necessary if they may have exhibited any symptoms that Patient has exhibited. 10. Any scout who is deemed to have potential disease will remain in the Med Lodge until released by the Medical Team and Camp Director for further screening at Mountain Lakes ER or picked up by a parent/guardian. 11. A thorough cleaning of the campsite will be conducted with 10% Bleach Solution around permanent infrastructures and Lysol Aerosol or Lysol Disinfectant Wipes of cots/mattresses and cloth tents. 12. Any scout who is not released from camp will be given procedures for Unit Leaders to enact Self-Quarantine. 13. Camp Director or designee will follow up on the troop and campers to ensure that no further medical treatment is needed. 		
<p>Closing Camp</p>	<ol style="list-style-type: none"> 1. Medic or Med Lodge Officer will notify Commissioners of campsites with infectious scouts if any. 2. Commissioners will train Department Directors in Sanitation of Campsite Practices. 3. Department Directors will lead work crews of staff members to thoroughly cleanse campsites each week. 4. A thorough cleaning of the campsite will be conducted with 10% Bleach Solution around permanent infrastructures and Lysol Aerosol or Lysol Disinfectant 	<ol style="list-style-type: none"> 1. Council Program Director 2. Camp Director 3. Ranger 4. Program Director 5. Medic 6. Med Lodge Officer 7. Commissioners 8. Department Directors/Work Crew Leaders 9. Staff Members/Troop Guides 10. Unit Leaders of Early Arrival Troops 	<p>* Cleansing of Campsite and surrounding areas</p> <p>* Re-Evaluation of Staff Members for Contagious Symptoms.</p> <p>*Cleaning of Shower Houses (Per Staff Cleaning Schedule)</p> <p>* Potential Overnight Observation/Evaluation to determine if symptoms should persist. (Self-Quarantine)</p> <p>* If the situation deems necessary, send home a staffer until staff does</p>

	<p>Wipes of cots/mattresses and cloth tents.</p> <ol style="list-style-type: none"> 5. Per normal scheduled cleaning, the Aquatics Director and staff will lead teams to clean shower houses using disinfectant cleaning materials and 10% Bleach Solutions. 6. Medic and Med Lodge Officer will re-screen staff members for any potential exhibiting symptoms or fevers of staff members before staff is dismissed for the weekend. 7. If deemed necessary, Medic and Med Lodge Officer may enact Self-Quarantine of staff or home recovery. 8. Core Admin Team and Director Team members will be scheduled to do weekend pre-screening of Early Arrival scouts. 9. All Pre-Camp Phase action steps 1-7 will be implemented. 		<p>not demonstrate symptoms for 14 continuous days.</p> <p>* Wristbands Identifying Persons Checked.</p> <p>* Potential Thorough Screening with Medic for Patients who answer any of the Pre-Screening Questions with “Yes”.</p> <p>* Medical Screening conducted at Mountain Lakes ER.</p> <p>* If the situation deems necessary, send home a scouter and reschedule Summer Camp opportunity.</p>
