

CRM Program Frequently Asked Questions

- How will I register for classes?
 - We will continue to use Tentaroo and follow the class registration schedule sent to troops ahead of time. Our Camping Department will answer any and all questions regarding registration and registration support.
- What changes in merit badge scheduling will occur?
 - After evaluating the previous summers schedules, we have decided we will run five merit badge blocks. Scouts will have 70+ choices of merit badges and programs to choose from.
- Have you cancelled a day within your schedule?
 - No! We have the same 5 day structure as previous summers, however, we flipped Free Range Thursday and Friday's schedule from our past models. We are now offering merit badge blocks and a full day of activities Monday through Thursday. Friday will now be our Friday Funday!
- Will you have Free Range Thursday?
 - We are not conducting free range Thursday this summer. Instead, we will offer Friday Funday! We will have similar Free Range Thursday activities within the three blocks offered. We will add other activities and filter them into the mealtime program opportunities and twilight activities.
- What will happen after Friday is complete and merit badge sessions are finished?
 - After our final Fun Friday Period, we will offer our Friday closing ceremony. Troops may utilize this time in a variety of ways for activities. Our camp would like to promote troop programming during Friday afternoon after our closing ceremony. Troops may also use this time as a jump start for their departure. Activities will be planned from Friday morning until after lunch.
- How will you use social distancing practices in program areas?
 - In program areas, each area director will train each staff member to adhere to social distancing practices throughout their merit badge sessions. We will monitor the class sizes and stay proactive on any situations that may arise. Classes have been strategically arranged to allow for maximum space.
- How will classes maintain clean classrooms?
 - We have built in time before and after class, after meals, and after activities in order to clean our department areas. Before and after each class period, all instructors will take all scouts through a hand washing station to promote proper personal hygiene.
- Will you offer twilight activities for campers?
 - We are offering twilight activities within the evening hours after the dinner shift for all meal times. Also, every scout has access to activities within lunch shifts outside of their designated meal time.

- How will High Adventure Programs work?
 - We will continue to run our Climbing, COPE, and Whitewater options as available and we are able to per the Governor's Executive Order.
- How will campfires run during camp?
 - Campfire programming throughout the 2021 summer season will be conducted using safety protocols and unit distancing. We will provide songs, skits, jokes, etc. in a fun atmosphere while emphasizing safety.

CRM Facilities Frequently Asked Questions

- How will the camp be cleaned and disinfected before arrival?
 - Each campsite will be cleaned and disinfected in accordance with guidelines from the CDC each Saturday.
- Will there be sanitation periods during the day?
 - Yes. After each class, program areas will disinfect and clean common surfaces and materials once all campers have left the answer. High use items will be disinfected after use throughout the day.
- How will bathhouses be cleaned?
 - Staff will disinfect in accordance with guidelines from the CDC. Adults can volunteer to help in the cleaning of the bathhouses throughout the day as part of scoutmaster projects.
- How will campsites be cleaned and disinfected during the week?
 - During the camp-wide unit times, scoutmasters should highly encourage scouts to clean and disinfect their areas with adult supervision.
- How will program areas be cleaned and disinfected during the week?
 - Each area director will lead the staff in cleaning and disinfecting the area with guidelines in accordance with the CDC once all campers have left for the day. A mandatory camp-wide practice of "Camp Unit Time," will allow time for campers and staff to be highly encouraged to clean all common surfaces and themselves from the day's activities.
- How will these enhanced cleaning and disinfection practices impact camp?
 - Cleaning and disinfecting guidelines in accordance with the CDC will take longer to execute than normal operations. Extra time will be given for classes, program areas, and facilities to be cleaned and disinfected during the day and weekly. With these practices, we aim to promote healthy habits that mitigate the spread of any potential illnesses.

CRM Miscellaneous/Other Frequently Asked Questions

- How will dining shifts work?

- Providing safe and healthy dining is an important aspect of our experience. In order for this to happen, our dining hall will be utilizing a three-shift system. This will minimize the number of people in the dining hall during any given meal shift and allow for units to have staggered seating in the dining hall. Adjusted dining shifts can be found in the Camp Rainey Mountain 2021 Daily Schedule at negabsa.org/campraineymountain. Staggered entry times will be given to troops upon arrival for troops to enter the dining hall.
- Will we have self-serve options?
 - The CDC guidelines for bars and restaurants advise against the use of self serve food options. However, additional food options will be provided each meal in individual packaged portions.
- How will the food be served during shifts?
 - All food will be served with individual safe and sanitary trays by camp staff. The serving staff will serve behind sneeze guards while wearing gloves, masks, hair protection, and aprons after properly washing hands. The food retrieval area will be frequently sanitized and disinfected.
- How will the Trading Post work?
 - The Trading Post will operate with safety as a priority. The main Trading Post floor will be limited to the number of persons that can enter at any given time. All guests will be asked to wash their hands before entering.
 - The Snack Shack will also be limited to the number of people that can enter as well. Food products will all be sealed with a lid and served by staff members wearing gloves and other PPE as deemed necessary.
- When will we be allowed to check-in and out of camp?
 - Camp Rainey Mountain begins standard check-in for all troops on Sunday beginning at 1:00 PM. Options are available for troops who would like to arrive on Saturday by limited request only. Troops are asked to select a sign up time using our SignUp Genius Check In procedure emailed to all unit leaders.
- What if a leader needs to leave or come into camp for various reasons?
 - Camp Rainey Mountain will be operating under a system of limited entry and exit as a measure of proactivity. We ask that all adults attempt to stay as possible long as possible during the week. If an adult needs to cycle out with another adult from your troop, the incoming adult will need to be screened at the Med Lodge prior to entering camp. We ask that you supplement as many of your shopping needs with shopping prior to arriving or using our Trading Post for needed materials. Visitors will be strictly limited.
- Will campers be medically screened at Camp Rainey Mountain?
 - In order to maintain the safety of everyone at Camp Rainey Mountain, every person that enters the camp will be screened. Temperatures will be taken utilizing contactless thermometers. Trained camp staff will screen for anyone who has

experienced any illness symptoms, as well as, incorporating CDC best practices for identifying and monitoring sick personnel.

- How can Units obtain Part C of the BSA Medical form?
 - Camp Rainey Mountain is here to assist you as much as possible during this time. It is required to have an update Part A, B, and C with proper signatures and an updated vaccine history. You may use your home physicians or any physicians that work with your troop to help your scouts obtain their Part Cs. As an additional option, there are several physicians throughout the state of Georgia that have provided their contact information and are willing to help obtain Part C of the med form. If you are outside of NEGA or the state, we will work with you in order to find a physician that will help you obtain Part C of the med form.
- How will campsites be assigned?
 - Our Commissioner team will be in contact with unit leaders to ask unit leaders several questions in order to make sure that their unit is provided with appropriate housing that accommodates specific needs. Campsites will be assigned to give troops distance from other units in accordance with State and National CDC/DPH policies.
- How will formations occur?
 - Camp Rainey Mountain will continue to have morning and evening formations. The times have been adjusted in order to provide time for three meal shifts. The staff will provide a flag-raising/lowering experience including songs, the Scout Oath/ Law, and grace. The Commissioning team will then release the troops to get their food.
- Will we offer Adult Leader Training?
 - All Adult Leader Training offered during a regular Camp Rainey Mountain season will be offered this summer. The times of Adult Leader Training have been adjusted in order to accommodate the new weekly schedule. Please see the Camp Rainey Mountain 2021 summer camp course schedule for the details regarding training times and locations at nega-bsa.org/campraineymountain.
- What are some items that I can bring to camp to help with unit sanitation practices?
 - Camp Rainey Mountain will make sure that every campsite is comprehensively cleaned and disinfected. In order to maintain a clean and safe campsite, we ask that unit leaders take the time to review CDC guidelines for household cleaning and disinfecting chemicals and supplies. If there is any rotation of adults or scouts between tents or Adirondacks, we advise the disinfecting of the bunks. If any scout presents symptoms of any illness, there should be thorough disinfecting of their living space and the camp staff immediately reported for. Assistance will be provided. Due to the large number of items that must be disinfected in order to keep you safe, we cannot provide disinfectant upon arrival.
- Are we required to wear masks?

- Camp Rainey Mountain highly encourages that units consider the use of masks to help scouts stay healthy. Masks are available throughout the camp for anyone in need.
- Are we required to have a negative COVID-19 test before entering camp?
 - At this time, we are not requiring units to have a negative COVID-19 Test. Instead we ask all individuals to engage in a semi-quarantine in which individuals make sure to avoid large gatherings and crowds as best as possible, that travel is restricted to your local home areas, and that your public interactions outside of close family members are limited in preparation for the camping season.
