

# Safe Swim Defense and Safety Afloat Training for Aquatics Weekends

1. Go to [my.scouting.org](https://my.scouting.org)

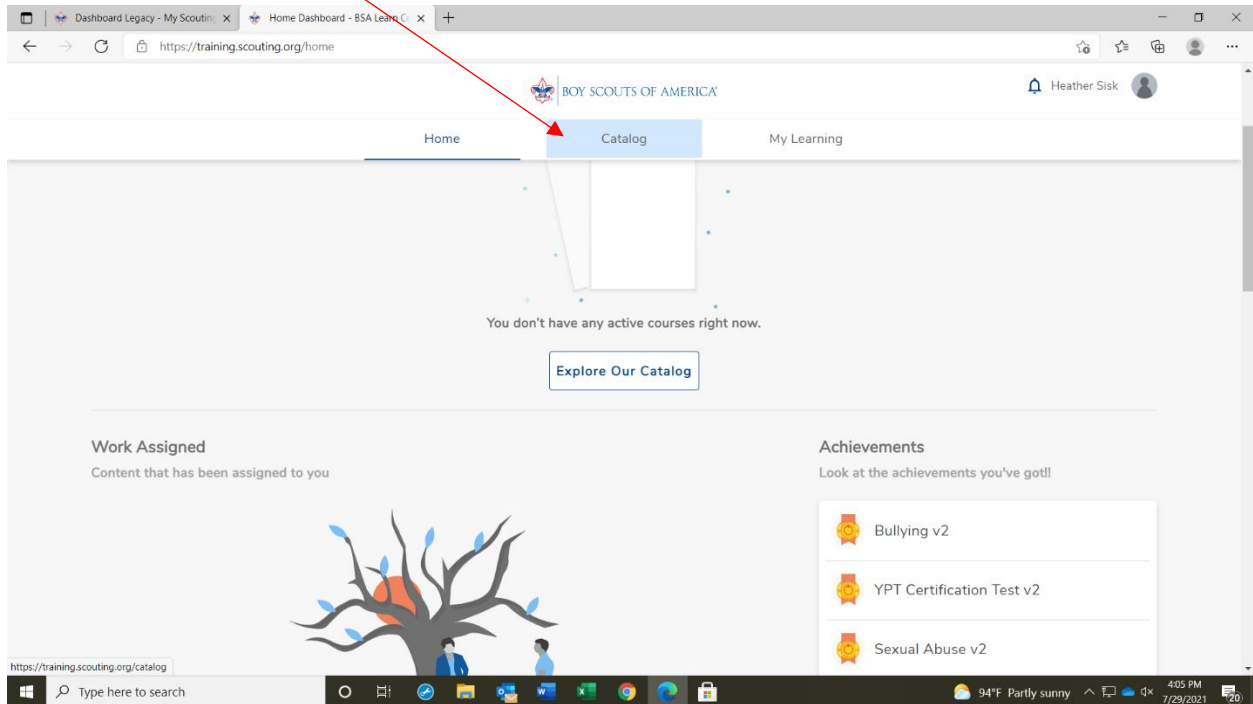

2. If you have a [my.scouting.org](https://my.scouting.org) account please login or create a new account.

\* When taking the training the account holders name will be on the certificate. If you have a youth taking the course you would need to create an account for them.

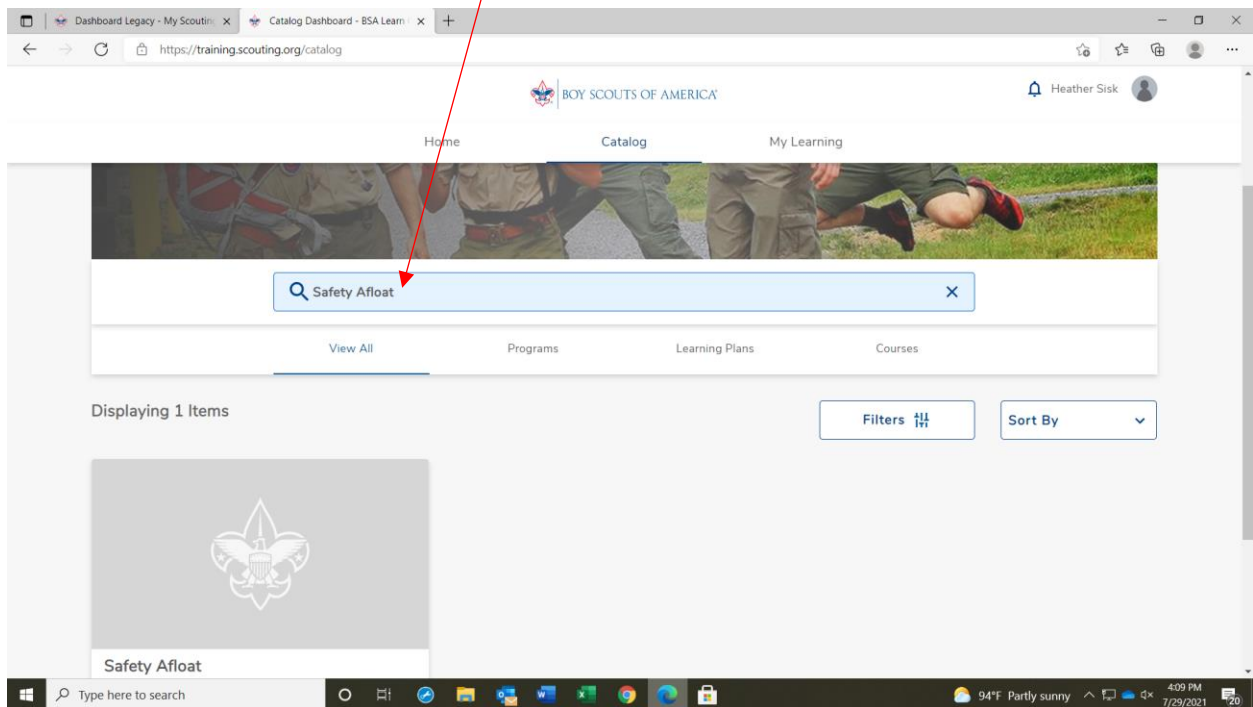

3. Once your logged in you will see your homepage. Scroll down to where you see **BSA Learn Center**. The Red Box!

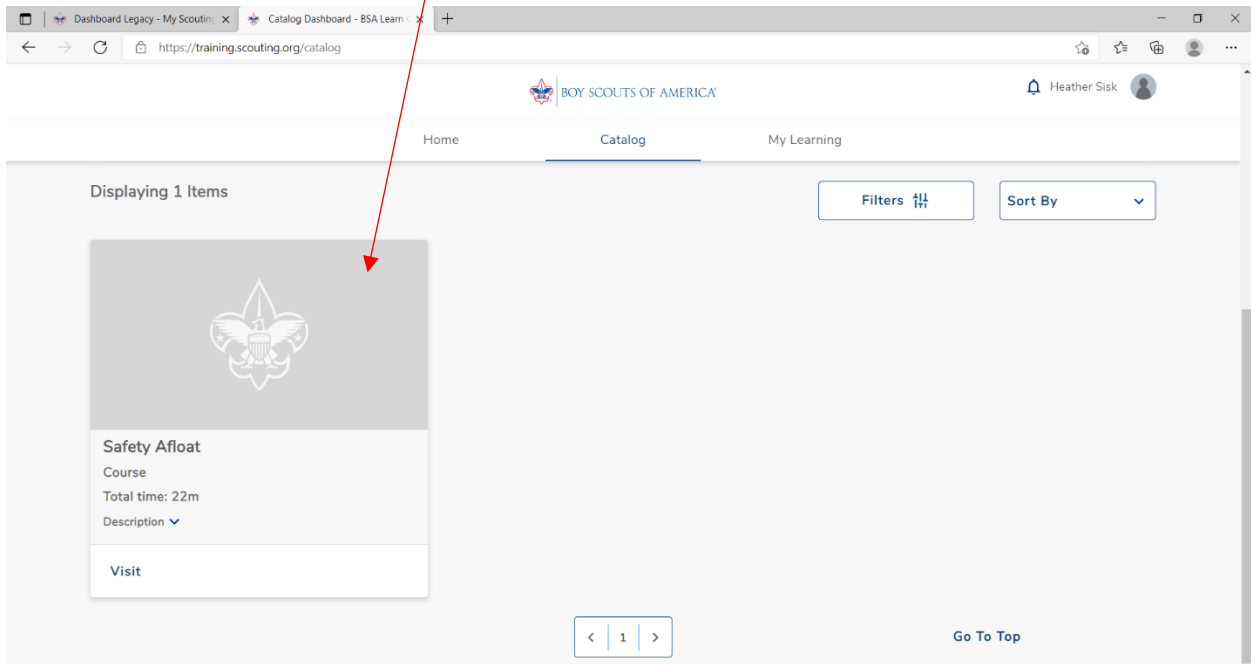

4. Once you have clicked on the BSA Learn Center you will be at your Training page. Click on **Catalog**.

5. In the search bar type **Safety Afloat**.

6. Below you will see **Safety Afloat**. Click on the box to start the training. Once you have completed the training please print and bring your certificate with you.

7. Once Safety Afloat training is complete, please take Safe Swim Defense Training. Once your training is complete, please print your certificate to bring with you.
