Chattooga Raft Trip

The river is less than 10 miles from camp! Scouts will love exploring Section III.

The Chattooga River is without a doubt the Southeast's premier whitewater rafting adventure. In fact, Southern Living called rafting the Chattooga "The #1 Thing Every Southerner Ought to Do." The Chattooga was federally protected in 1974 by the Wild & Scenic Rivers Act, thus forever preserving its rugged river gorge from development. Thus, the Chattooga delivers breathtaking scenery and treasured whitewater in an unmatched wilderness setting. Perhaps most recognized for its depiction in the film 'Deliverance', there are two very distinct whitewater rafting sections on the Chattooga. Section III is what we call "Mild & Scenic" with numerous swimming holes then Class II-III drop pool rapids, and a Class IV grand finale at the famous Bull Sluice rapid! Wildwater LTD expert guides add to the experience, peppering the run with breaks for swimming, play and lunch. A deli style lunch is served in a scenic location alongside the river. We are also offering the Mini Trip It has Class III and Class IV rapids just a shorter trip. NOC's expert guides add to the experience, peppering the run.
