

Northeast Georgia Council

America 250 Collection Series

The Northeast Georgia Council is proud to celebrate our great nation's 250th Anniversary in 2026. We are celebrating with a commemorative council strip and collectable patch. The design of the patch is based on the classic NEGA goldminer in front of the Ballard Cabin ghosted in the patch surrounded by an American Flag.

- 2) America 250 Round Patch with Loop

Order as a pair for your best value! All proceeds of this sale go to support the Scouting program of the Northeast Georgia Council. A limited number of these patches will be available. Patches will be available in the office by late Spring 2026.
