Please complete this form and **return it to ADMIN, in the HQ building during the Check-In Process.**

Scouts should come prepared with script, songs, and props for their performance. **Each group is limited to 5 minutes.** All songs and performances must be checked by the unit to ensure entries are in accordance with the Scout Law. If in doubt, leave it out. We will adhere to the GTSS and YPT Policy. All submissions will be checked by our staff before Saturday campfire.
