Pack Overnights:

"These are pack-organized events involving more than one family from a single pack, focused on age-appropriate Cub Scout activities and conducted at council-approved locations (councils use Pack Overnight Camp Site Appraisal Form, No. 430-902). If nonmembers (siblings) participate, the event must be structured accordingly to accommodate them. BSA health and safety and youth protection guidelines apply. In most cases, each youth member will be under the supervision of a parent or guardian. In all cases, each youth participant is responsible to a specific adult. At least one adult on a pack overnighter must have completed Basic Adult Leader Outdoor Orientation (BALOO) to properly understand the importance of program intent, youth protection guidelines, health and safety, site selection, age-appropriate activities, and sufficient adult participation. This list of sites expires 6/30/2026
