Cherokee District
Gold Rush Themed
Spring Camporee

April 17 – 19, 2026
Camp Rainey Mountain
Clayton, Ga

Pack your mules and head to the North Georgia Mountains for an exciting weekend of panning for gold and old-time skills challenges!

This event will be filled with up to 10 competitions using known scout skills and learning new ones too. Also, the newly created Gold Rush game will be played throughout the weekend. Collect gold during your adventures but beware of the Bandits who will exact a toll when you don't know your scout lore! Patrols are encouraged to name their campsites after gold rush camps from anywhere in the US and to create Patrol flags and class B uniforms in prospector theme. Plan on a Dutch oven cooking competition to share with other towns during the Saturday evening Camp dinner. There will be an additional category for the leaders cooking competition too!
